

Ridge Christian Academy  
Student Handbook

# ***PALADINS***

## **Philosophy**

Ridge Christian Academy was established in 1998 as an educational ministry of Ridge Baptist Church. The day school and after school program provided an opportunity for the church to reach out into the community in a new light. By having this ministry, it allowed the church to develop a Christ-like character in the lives of children that attended the school as well as the church. Believing God's Word that "I know the plans I have for you," Ridge believed that children should be provided an opportunity to have a better understanding of God's Word and thereby develop a personal relationship with Christ.

Ridge Christian Academy is founded on the belief that Christian teaching presented in a Christian environment will enhance a child's educational experience. A child will be made aware of the world around him and be taught a Christian worldview. This will help the child become a whole person emotionally, physically and aid in the spiritual development, as they grow older. The academy will present the good news of God's love to every child that attends. As children grow in this environment, the academy's prayer is that each one will respond in faith to Jesus Christ.

## **Mission Statement**

Ridge Christian Academy is a Christian school that is dedicated to providing an all-encompassing Christ centered curriculum for each student. To provide a God planned Christian environment for students so that each can reach the highest possible level physically, spiritually, socially and intellectually.

## **Statement of Beliefs**

1. God is the ultimate source of truth.
2. The Bible is to be our guidebook for life.
3. A Christian education will help give life direction.
4. Christian schools, along with parents, help prepare a young person for life as an adult.
5. Ridge Christian Academy's main responsibility is to provide a college preparatory education with outstanding academics in a Christian setting.

## **Statement of Goals**

1. To always look to God for guidance in planning for the future.
2. To present the gospel to learners so that a decision to have a personal relationship with God would become a reality.
3. To provide a safe atmosphere for learners to excel.
4. To provide an atmosphere for faculty and staff that will promote Christian values.
5. To help promote an environment for continued spiritual and professional growth for the staff of Ridge Christian Academy.
6. To provide increased levels of service to family members and the community.
7. To maintain and increase resources and facilities that will promote academic excellence.

## **Accreditation**

Ridge Christian Academy is accredited by the South Carolina Independent School Association (SCISA).

## Admission

Ridge Christian Academy offers quality care and development for children aged birth – 12<sup>th</sup> grade. We accept children regardless of race, color, sex, national origin or religious beliefs. We require that all children meet the health requirements of the state of South Carolina. DSS requires DHEC form 1148, (S.C. Certificate of Immunization) which may be obtained from your pediatrician, be presented at the time of your child's first day or within thirty days of his arrival.

Ridge Academy is not equipped to provide effective programs for mentally or emotionally handicapped children, those with emotional problems or children with severe academic deficiencies or learning disabilities.

Students must be 6 (six) before September 1 in order to enroll in the first grade. Each new family must meet with the principal for an interview. It is important for the prospective student be in attendance for this meeting. New students must present acceptable scores on an accepted standardized test such as the Stanford 9 or 10, report overall grades of "C" or better and conduct grades that indicate a willingness to follow the rules of the academy. An age appropriate math and verbal quiz may be given to indicate the student's understanding of the subjects.

Enrollment Fees and the first month's tuition need to be paid before the start of the school year; please see the financial office to make these payments.

Young people, who are pregnant, married, or who have parented children are not admitted to RCA's general student population.

Students coming into the Academy with expulsion, suspension, or awaiting an expulsion hearing from another school must provide two letters of recommendation from previous teachers or administration. In addition to any and all enrollment fees, **there will be a \$500 non-refundable activation fee for a "Second Chance" student.** The final decision will be made by the principal.

## Ridge Christian Academy Grading Policy

The Academy's grading policy is designed to give parents an indication of their child's progress in the academy's educational program. Mid – quarter progress reports and end – of – quarter averages will be sent home for parent's review. Parents need to sign these as soon as possible and return them to the teacher.

### Grading Scale

A = 93 – 100  
B = 85 – 92  
C = 77 – 84  
D = 70 – 76  
F = 0 – 69

G= Good  
S= Satisfactory  
N= Needs Improvement  
U= Unsatisfactory

### Report Cards

Our grading system is designed to give parents an indication of the student's progress. Mid – quarter progress reports and end – of – quarter averages will be sent home for parents review.

### Office Hours

The office is open from 7:30am – 4:00pm daily during the school year. Summer hours are Monday thru Thursday from 9:00am – 2:00pm.

### School Hours

K3 – K4 hours are from 8:00am to 12:00pm. K5 hours are from 8:00am to 2:30pm. 1<sup>st</sup> - 12<sup>th</sup> grade classes are from 8:00am – 3:00pm. Parents are to drop off the student in the gym before 8:00am. If they are not staying for after school, they need to be picked up by 3:15 or a financial charge may incur.

## Tardy Policy

A student is tardy if not in the classroom by 8:05am. Parents need to be out of the room at this time so as to allow the uninterrupted start of the day. When students are tardy, they are to report to the school office to receive a tardy slip. This will then be presented to the teacher. Students who are repeatedly tardy disrupt the normal class routine and learning process. Chronic tardiness generally results in poor academics and may be grounds for dismissal.

A student will be counted tardy if not in their seats five minutes after the class is scheduled to start. **Six (6) tardies will equal one unexcused absence.** A student with six (6) unexcused tardies will not be considered for perfect attendance.

Students from K5-3<sup>rd</sup> grade will make up lost instructional time (due to tardiness) with their teacher during recess, special area or afterschool.

Students from 4<sup>th</sup>-12<sup>th</sup> grade will serve a paid detention for every six tardies they receive. This detention will be served on Tuesdays or Thursdays from 3:15-4:15.

**Detentions for being tardy are meant to encourage parents and children to help each other in the morning to be to school at the appointed time. Parents are welcome and encouraged to serve tardy detentions with the child.**

## Attendance

In order to be counted for a school day, a student (K5 – 12<sup>th</sup> grade) must be in class for four (4) hours or more per day; lunch and recess do not count towards the four – hour class time.

A written excuse signed by the parent or legal guardian must be presented to the teacher when the student returns to school after an absence.

Absences will be excused for the following reasons:

1. Students who are ill and whose attendance would put others at risk accompanied by a doctor's excuse.
2. A death occurs in the student's immediate family.
3. For participation in church sponsored activities.

All other absences will be recorded as "unexcused."

**More than ten unexcused absences result in automatic retention by South Carolina law.**

The principal and school board will make promotion retention course credit decisions for students who are absent for more than ten (10) days per year or, for high school students, ten (10) class periods per course.

Any student absent from school will not be allowed to participate in a representative capacity in any after – school activity that day unless the absence was for a doctor's appointment or emergency and is documented by the parent or doctor, and approved by the principal.

## Automobiles/Student Drivers

Students who drive to school must obtain permission from the Principal in advance. Make and model of car must be listed on enrollment forms. Driving to school is a privilege which may be revoked at any time that the student demonstrates an unwillingness to assume the responsibility of properly handling the vehicle. Driving which endangers the safety of children will result in the immediate loss of driving privileges. The

playing of loud music, whether Christian or secular, will not be tolerated on campus and will result in the loss of the student's driving privilege. There will be no students in the parking lot during school without permission. If students are to ride together, then a note from the parent must be given to the office.

If a student who has a vehicle is late to school in the morning or at lunch time two (2) or more times, their driving privilege may be revoked. Sophomores (10<sup>th</sup>) and below may not leave campus until after three (3:00pm), even if they have a vehicle.

Students may not leave the school campus during the scheduled school day without parent's permission. Juniors and Seniors (11<sup>th</sup> and 12<sup>th</sup> grade) may leave for lunch if they have their own vehicle and with a parents permission. **They must sign in and out at the school office.** If they are late for their next class, this privilege will be suspended and a detention issued. Students may not have visitors on campus unless previous permission from the Principal is given. Students may not leave with other students for any reason.

## Saturday School

Saturday School is for those students in the Upper School that are past their ten days and need to make up hours. Saturday School will be five hours of class time with a cost of \$400.00. The student will arrive by 8:00 am and leave at 1:00 pm. They will receive a 30 minute lunch. Payment is to be made prior to the scheduled day. If payment is not received or the student is 10 minutes late, they will be rescheduled at a later time. No refunds!!

The student will be put on probation due to absences and is required to be present to make this time up. The probation time will be for a full 9 week quarter and if there are any detentions, absences, tardiness or any behavioral problems at all the student will be expelled immediately.

## Make – Up Work

After an absence, the student will be given an opportunity to complete missed work. The teacher will arrange for the student to make up missed tests or quizzes. Make – up work not completed will convert to a "0."

A student has two days to make up a test or quiz after returning to school. Students who fail to take advantage of making up tests or quizzes will receive a "0."

Students who are absent and the absence is unexcused are required to make work up the day of their return.

## Health and Medication

Students who are ill should stay at home until they are well enough to attend school. A child who becomes ill at school will be sent to the office. Office staff will make the determination if a child should be sent home.

All medications are to be given to the office. At no time is a student allowed to carry any type of medication with them. Medications will be logged in and administered per the original medicine bottle's instructions.

**\*\* If your child has been prescribed medication that will help their learning and attention capability along with behavior, they are required to take the medication every day they attend the academy. The parent may bring extra medicine to keep in the office but will be called to administer or give permission to administer medicine\*\***

Non – prescription medications will be administered upon permission of parents.

## Student Injuries

Accidents or injuries that occur on the school campus are immediately reported to a teacher, aide or school administration. If there is an injury the student will be taken to the office for treatment. Parents will be

contacted if the injury warrants. An accident report will be given to parents and one will be filed with the office.

## Medical Regulations

South Carolina law requires schools to have on file a copy of each student's immunization record (DHEC #1148.) This record is to be given to the school nurse before the first day of school. A copy of a birth certificate is also required for each child registered.

RCA does periodic checks for head lice. A representative of the school will perform these checks and a notice will be sent home to all students whose class participated in the check. If head lice are found, the student's parent will be notified and the student will need to be picked up from school and treated. After treatment, a follow – up head check will be done before the student will be allowed back in class.

## Authority to Release Students

Only the parent or legal guardian will be allowed to pick up a student from school. A pre - approved list filled out when a student is registered must be on file to allow other individuals to pick up children for the parent. If a special circumstance arises the verbal or written permission may be given to a staff member in person or by telephone.

**Students will be released to non – custodial parents with a court order or with the custodial parent's permission.**

Students may not leave the school campus during the scheduled school day without parent's permission. Juniors and Seniors (11<sup>th</sup> and 12<sup>th</sup> grade) may leave for lunch if they have their own vehicle and with a parents permission. They must sign in and out at the school office. If they are late for their next class this privilege will be suspended and a detention issued. Students may not have visitors on campus unless previous permission from the Principal is given. Students may not leave with other students for any reason.

## Leaving School Early

If a student is required to leave school early, parents are to furnish a note (stating the departure time and with whom they are going) to the teacher. **Parents who come during school hours to pick up students for medical/dental appointments are to report to the school office to sign out the student.**

## Visitors

Visitors are welcome at Ridge Christian Academy. **We require that all visitors first report to the school office.** Visitors to the classroom are welcome as long as a previous appointment has been made through the school office. The administration likes to have at least a days notice before visitors are allowed in a classroom. Students who attend another school and wish to visit the academy need to make an appointment with the principal to arrange a visit.

## Contacting Teachers

Teachers should not be called at home. Parents are requested to contact the teacher through the school office. **No parent is to go directly to the classroom before school hours. This delays the teacher from beginning class on time.** Parent conferences will be scheduled at the request of the parent or the teacher. Please do not detain teachers before or after class.

## Field Trips

Parents will be notified of each field trip scheduled. The enrollment fee helps to offset cost for field trips. Each class will have a designated amount to spend.

## Discipline

Discipline is a major concern at Ridge and we believe discipline of students is a joint responsibility of the parents, teachers and the administration.

***Parents who cannot support the discipline standards of Ridge Christian Academy should find a school whose standards reflect their own. This will prevent the child from being placed in a position of conflict between the parent and the academy.***

The academy cannot solve all behavior problems; therefore, the home must contribute and assist the academy in solving some behavior problems. At the academy, each class will have rules posted that the student will need to follow.

**When discipline problems or concerns are brought to the attention of the administration, by a teacher or other employee of the academy, parents will be notified at the discretion of the teacher or the administration.**

## Pre-School (K3-K4) Discipline

Every effort will be made in the classroom to avoid discipline from the office but some situations are unavoidable. Uncontrollable tantrums, physical contact of any kind and throwing of objects are some examples where office staff may need to be involved. This is in addition to our regular school wide discipline policy.

1. Discipline note from office.
2. Phone call to parent.
3. Conference with teacher, administration and parent.
4. Possible suspension from program.
5. Possible dismissal from program.

**Detention:** The student will be assigned to do work on a project or sentences on school grounds on Tuesdays or Thursdays from 3:15 - 4:15pm. Students will need to bring pencil and paper. Tardiness, inappropriate attitudes or actions may result in repeating the detention or additional disciplinary action. Two no-shows to detention will result in one or two automatic In School Suspension (ISS) days. Students are still responsible for the required payment. If payment is not made, then the student will be dismissed from school and/or report cards/transcripts will not be issued.

***Parents/students are required to pay \$10.00 for each detention their child is given. Detention money must be paid on or before date of detention.***

**In School Suspension (ISS):** Student will be isolated during the day but will be required to do all work from teachers. Tests will be made up and credit will be given. **There will be a \$50.00 fee for every day of ISS.**

**Out of School Suspension (OSS):** The student will not be allowed on school grounds. A grade of zero will be given for work missed except for major projects due or tests given during the suspension. Tests will be made up the day the student returns to class and the

student will receive  $\frac{3}{4}$  credit. A parent/student conference with the principal is required upon returning from suspension.

**Disciplinary Probation:** Disciplinary probation is a strict written guideline for a student to follow during a specific time period. Any deviation from the plan could result in the student being expelled.

**Expulsion:** The student is dismissed from Ridge Christian Academy for the remainder of the school year.

**Once six (6) detentions, based on behavior, are reached in a semester, the penalty will be automatic ISS.** If there is a continued problem, then it will go to OSS and after that, possible expulsion.

**Any threatening statements made to students, teachers or staff, by students or parents may result in automatic suspension or expulsion from RCA. Local authorities will be notified of incident.**
